# COVID-19

## The Pandemic of Our Lifetime

Presented by Chris Petrik, RN, BS, Training Specialist  
Elderwerks Educational Services

### Thursday June 4, 2020

**9:00 AM to 10:00 AM Consumer Edition**

This discussion is for community members not professionals needing credit.

**12:00 PM to 1:00 PM Professional Edition**

This time slot is for all professionals needing Continuing Education credit.

COVID-19 has been saturating the news since early February, and more so since each state has been quarantined. This program will be different! In this non-partisan, no political approach to this disease, you will learn when & how it started by looking at the chain of infection and how it progresses. Chris will walk you thru the agencies that are involved in developing policies, programs of prevention and guidelines. She will also discuss the medications that maybe useful in fighting this virus, and how each drug must go thru protocols, research and evaluation before they can be approved. Also covered will be testing, issues with testing, antibody testing verses testing for virus, some recent statistics, key safety protocols, and what to do to protect yourself!

**The 12 pm program awards 1.0 CE credit** to Illinois nurses, professional counselors, social workers and nursing home administrators.

Please join us for this important topic!
