## THE BENEFITS OF THERAPY DOGS FOR HEALTH AND WELL-BEING

Presented by Dr. Denise Casey, PsyD, CADC, NBCCHT  
Founder & Director  
Barrington Behavioral Health & Wellness

Join us for an interesting presentation on how One's Best Friend can be therapeutic. Dr. Casey will be discussing how therapy dogs are beneficial for our psychological & social well-being. She will cover what the differences are between therapy, service, and emotional support dogs. The licensing requirements and training needed to qualify as a therapy dog will also be discussed.
