

UNDERSTANDING THE BRAIN

A Webinar Presentation

Presented by **Chris Petrik**, RN, BS, Training Specialist
Elderwerks Educational Services

During this presentation Chris will be discussing the structure of the brain and its function, how brain function affects memory and learning, types of attention and memory, what is considered normal and non-normal aging of the brain, dementia and brain function, and how one can better approach care of a person living with dementia.

WEDNESDAY, JANUARY 20, 2021
