

EVALUATION OF THE DIZZY PATIENT

By **Kimberly Smith**, PT, DPT, VRT, **Athletico Physical Therapy**

During this presentation, you will learn about a Physical Therapist's evaluation of the "dizzy" patient. Kimberly will discuss signs, symptoms, treatments as well as expected trajectories when planning out care for the dizzy patient.

Kimberly (Kimi) is the Illinois Regional Vestibular and Concussion Coordinator for Athletico and has treated this patient population since 2012. She has her certificate in Vestibular Competency from Emory University, completed the Evidence in Motion Concussion Management Certification (CMC) Program, and is a proud member of VEDA (the Vestibular Disorders Association).
