

# LIVING WITH AND CARING FOR A PERSON WITH LEWY BODY DEMENTIA

Presented by **Chris Petrik, RN, BS, Director of Education**  
**Elderwerks Educational Services**

Lewy Body Dementia is a complex disease that is often difficult to diagnose. In this program, Chris will discuss what is classified as Lewy Body Dementia and its relationship to Parkinson's disease. She will go over symptoms of Lewy Body Disease along with how to manage the disease. Chris will provide care tips for a person living with Lewy Body Dementia and how your interactions with that person can improve their quality of life!

**THURSDAY, MARCH 31, 2022**
