Pausing to Take Lessons Learned from the Pandemic

An Open Session for Healthcare Professionals
with Melissa Kahn, Educator & Consultant

About Melissa

Melissa Kahn has worked in health care and the field of aging for more than 30 years both clinically and administratively developing services and programs in aging, Alzheimer's disease and healthcare workforce development.

She has served on the advisory boards for Northwestern Cognitive Neurology and Alzheimer's Disease Center, Chicago and Los Angeles Caregiver Magazine and as a committee member for the Annual Family Caregiver Conference sponsored by the Greater Illinois Alzheimer's Association.

March 30

12–1 pm: Lunch & Networking

1–2 pm: CEU Session

1300 W. Higgins Road, Room 113

Join us in this open discussion and learn from others about best practices that evolved during the Pandemic. We'll take time to reflect on shared experiences in this deep dive into our work challenges and scenarios. Participants will take away key lessons to share with their team to move forward with confidence.

Please RSVP to Cristina at cmilitello@homecareassistance.com by March 21.
