# (YOU)<sup>us</sup> CAN STUDY IN SYDNEY

If you are looking for a safe and friendly destination offering a dynamic, multicultural experience while you study, look no further than Sydney.

**THE BUSINESS CAPITAL OF AUSTRALIA**

Sydney is home to more global firms than any other Australian city. A gateway to Asian economies, the city houses regional headquarters for more than 500 multinational companies. The city also employs almost one third\* of the Australian workforce, giving you many economic and professional opportunities to kickstart your career.

\*Australian Department of Education, Skills and Employment

**DYNAMIC AND VIBRANT STUDENT CITY**

Sydney is one of the most popular cities in the world for international students. Visit free art galleries, watch a movie at the local cinema, set off on a hike or go surfing at the beach – you will never run out of things to do in this dynamic and cosmopolitan destination.

**CONVENIENT PUBLIC TRANSPORTATION**

Sydney's transport system is safe, clean and reliable. With buses, trains, ferries and light rail, there are plenty of options to get around the city. Macquarie campus is located just 15 kilometres from Sydney's city centre and is well-connected with an on-campus Metro station and many bus routes.

**MACQUARIE BUSINESS AND TECHNOLOGY PARK**

Macquarie Park, one of the fastest growing business regions in Sydney, is the home of the Macquarie University campus. This thriving hub of innovation and discovery brings together academics, students, and industry professionals from more than 300 international organisations and corporations. With the major Macquarie Shopping Centre and a wide variety of restaurants, cafés and retail stores nearby, you will enjoy a relaxing and convenient lifestyle with everything that you need at your door step.

## VIBRANT AND DYNAMIC STUDENT LIFE

University is about much more than graduating with a degree. It's also about awakening your adventurous side and trying new things, creating networks on campus and around the globe and, most importantly, making friendships that last for life.

- **Orientation** – A week-long Orientation program is held the week before classes start. You can find out about student groups, support services and extra-curricular programs while meeting new friends from around the world.
- **Student clubs** – With more than 130 student groups and sports clubs, Macquarie offers ample opportunities to meet new people, experience other cultures, test ideas and develop personal skills.
- **Competitive and social sports** – If you enjoy team sports, competitions run each session and include sports such as basketball, futsal, netball and touch football. Our sports clubs also offer a range of competitive and beginner programs in Australian Football League (AFL), cheerleading, cricket, soccer, skiing and many more.

## COMPREHENSIVE SUPPORT AND SERVICES

Studying at university is an exciting time but adjusting to university life can sometimes be challenging. To help out, Macquarie offers a range of resources and support programs that you can access while on campus.

- **Peer Mentors** – mentors are current students who can help you find your way around campus and give you tips on how to settle into life at Macquarie. You can select and connect with your mentor during Orientation Week.
- **Learning Skills Unit** – offers free workshops, drop-ins and online resources on academic writing, referencing, exam strategies and more.  
[mq.edu.au/learningskills](http://mq.edu.au/learningskills)
- **Student Wellbeing** – offers a suite of health and wellbeing services including counselling, disability, welfare, advocacy, medical and religious support.

**“Macquarie University is famous for producing graduates who are highly sought-after by employers throughout Australia and around the world. You can be easily career-ready through Macquarie’s industry-relevant curriculum and an extensive range of career services and internship opportunities available.**

**Although Cyber Security is a relatively new and developing field, Macquarie is internationally recognised for its teaching and research excellence in this fast-growing specialisation. In my course, we examined real-life case studies to analyse and learn preventive measures, as well as utilise sophisticated digital forensics. A combination of such industry-applicable knowledge and practical skills helped to boost my confidence and insight as a Cyber Security student and aspirant.”**

## Diploma, Foundation and Intensive pathway to a degree

The following pathway programs have been developed to specifically meet Macquarie's entry requirements. On successful completion of your program, you can seamlessly transition to your undergraduate degree, as long as you meet the entry requirements.

### Diploma (5 terms)

For students who have completed an Australian Year 12 equivalent education with a selection rank\* of 60, and met the IELTS 6.0 (minimum 5.5 in each band) requirement

#### CHOOSE YOUR DIPLOMA

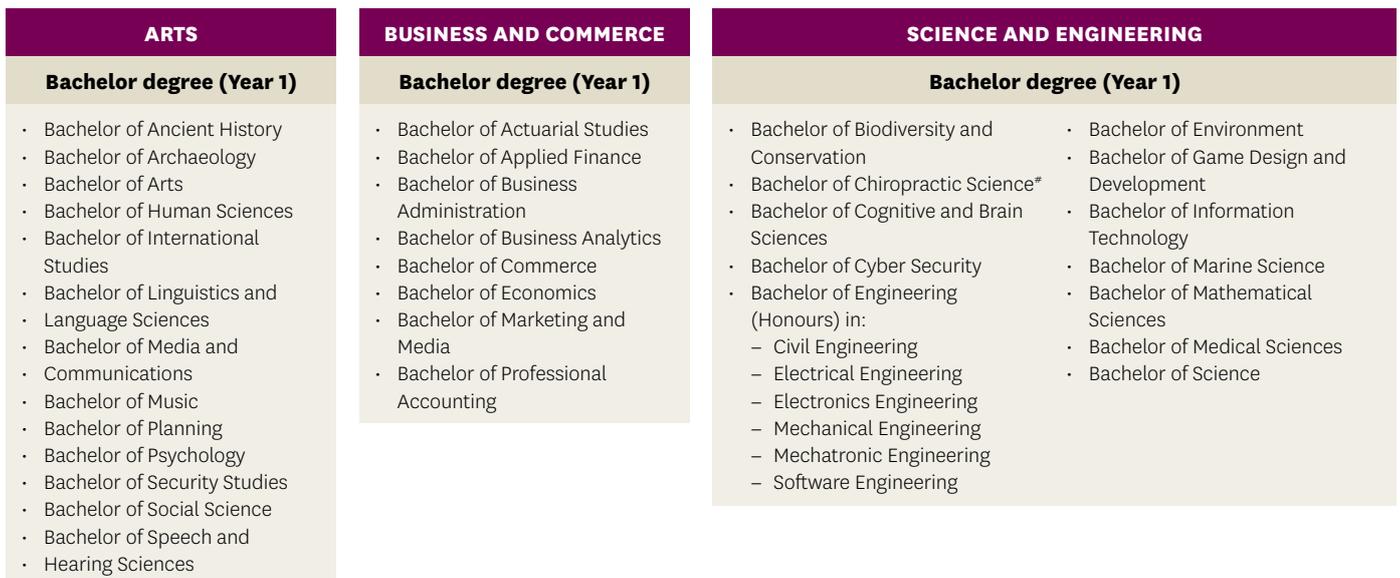

### Standard Foundation Program (4 terms)

For students who are at least 17 years of age, have completed an Australian Year 11 equivalent education with an average mark of 50 and met the IELTS 5.5 (minimum 5.0 in each band) requirement

### Intensive Program (2 terms)

For students who are at least 17 years of age, have completed an Australian Year 12 equivalent education with a selection rank of 50 and met the IELTS 6.0 (minimum 5.5 in each band) requirement

#### CHOOSE YOUR FOUNDATION STUDIES STREAM

\* Not all majors are guaranteed for entry direct to 2nd year of the degree.

<sup>^</sup>Students receive less than one year of credit towards their degree.

\*Students may also select the Arts stream if they do not wish to take WFMA003.

Other factors are taken into consideration when reviewing your average mark; therefore, achieving the average mark does not guarantee you an offer. Selection rank is based on the Australian Tertiary Admission Rank (ATAR) for students completing an Australian senior secondary qualification.

Visit [mq.edu.au/academic-requirements](http://mq.edu.au/academic-requirements) for conversions to qualifications in your country.

# SCHOLARSHIPS FOR (YOU)<sup>us</sup>

Macquarie University is an approved provider for many international government and academic institution scholarship programs. We also warmly welcome recipients of Australian Government funded scholarships.

**“Macquarie University is a highly ranked and world-class university, renowned for its Law department around the world and especially in Thailand. In my course, I learn how to think critically and work in teams, while studying alongside many Australian students. My class size is also small, so it’s easy for me to meet and network with my professors. With the knowledge that I have gained from my course, I am confident that I will be able to accomplish my goal of becoming a judge in the Thai judicial system.”**

# TAILOR ENTRY DESIGNED FOR (YOU)<sup>us</sup>

## UNDERGRADUATE

For direct admission into an undergraduate (bachelor) course, you will need one of the following qualifications:

- a recognised high school qualification or university entrance exam – see the following page for a selection of accepted qualifications
- a recognised university foundation course – we accept foundation courses from most Australian universities, as well as from some approved international providers
- a recognised diploma or associate degree deemed equivalent to Australian diploma or advanced diploma level
- at least one year of a university degree from a recognised institution deemed equivalent to Australian bachelor or master degree level

## SELECTION RANK

Macquarie uses a selection rank based on the Australian Tertiary Admission Rank (ATAR) to determine the minimum eligibility requirements for entry to each undergraduate course. See the tables on the next page for conversion of the selection rank into the minimum score you need for your qualification.

## MACQUARIE UNIVERSITY INTERNATIONAL COLLEGE

If you haven't met the requirements for your selected course, don't worry. The Macquarie University International College offers a range of pathway programs to prepare you for seamless transition into university studies.

## POSTGRADUATE

The course listings in this guide will note the specific entry requirements for our postgraduate (masters) coursework degrees. In most cases, entry requires a qualification recognised at Australian bachelor degree level or higher. Our Admissions team will determine whether your bachelor degree meets the requirement when you apply to Macquarie.

Entry to some courses may require a degree in a specific or related field of study and/or achievement of a particular weighted average mark (WAM) out of 100. Relevant work experience or professional accreditation may also be considered.

## WEIGHTED AVERAGE MARK (WAM)

A weighted average mark (WAM) represents your overall academic performance and is based on a percentage average (out of 100) of all your attempted study. The tables provide indicative WAM conversions for common grading systems in your country.

- Double degree options exist for this course. Minimum entry scores for double degrees align with the higher requirement of the two single degrees.
- Degree has a choice of major or specialisation.

\*The Bachelor of Education (Primary) is only available as a double degree with the Bachelor of Arts or Bachelor of Psychology, while the Bachelor of Education (Secondary) is only available as a double with the Bachelor of Arts, Bachelor of Commerce, or Bachelor of Science. If you already hold a bachelor degree and are interested in a teaching qualification, please consider the Master of Teaching (Primary) or Master of Teaching (Secondary).

\*Scores apply to selected high schools only.
