

Part of IGEM 2020 - Virtual Event

FUTURE PROOFING YOUR ENERGY STRATEGY

Integrated energy strategies to achieve energy-related financial and environmental objectives

21 OCT 2020 | 1400 - 1615 (GMT+8)

The energy transition offers new opportunities for energy users to rethink how they source and consume low-carbon energy and collaborate with stakeholders across their value chain to benefit from new technologies, business models and financing mechanisms.

HE Ken O'Flaherty

UK Regional CoP26 Ambassador to Asia-Pacific and South Asia
