I am submitting this statement for purposes of continuing my role as a director with the SABABC. As a member of the Fall Seminar Committee, I took on the roll of organizing various webinars during the past year, together with other SABABC directors. Additionally, I was able to leverage my relationship with Chicago Title to obtain sponsorship funds and I hope to continue growing our pool of sponsors going forward. We have a significant amount of work to do and require people who are willing to put in the time to build this organization despite of our busy schedules. I would like to continue my work with SABABC so we can continue working towards our collective goal of becoming an organization with a similar outreach as FACL.
