

KENYA GREEN
BUILDING SOCIETY

Build Green, Save Kenya

Members' Baraza

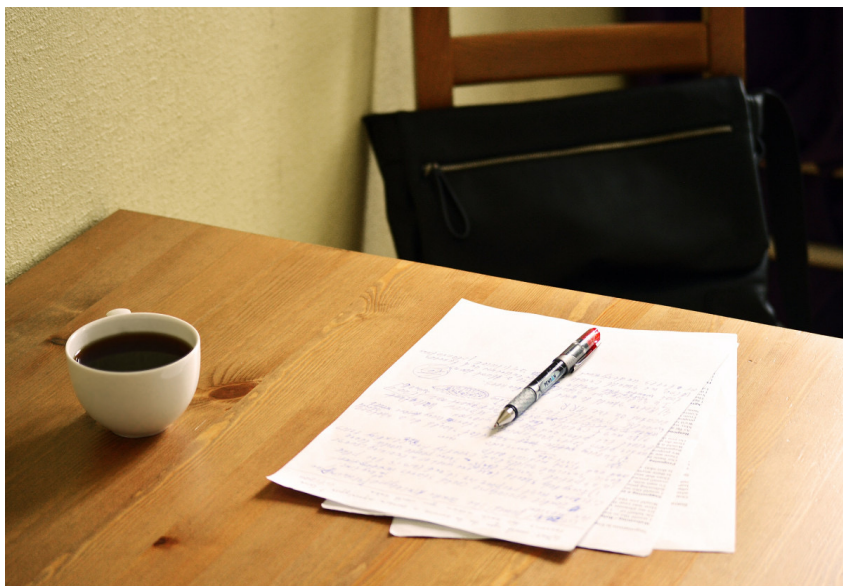

Presentation: Nasra Nanda

Date : Friday 16th February, 8 – 10am

Venue : Sarit Expo Centre

Our Work

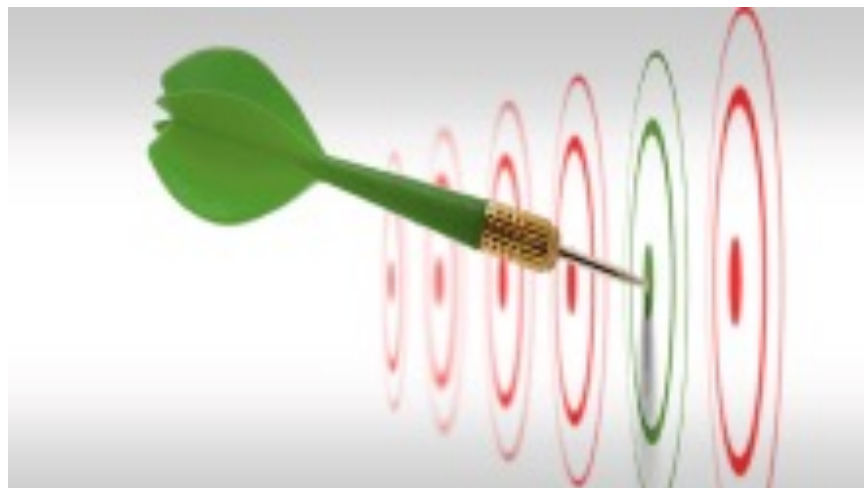

The Kenya Green Building Society is not your traditional green building council, we see the built environment as an ecosystem of opportunities and aim to champion sustainability in the built environment through:

1. Advocacy & Research:
2. Capacity Building
3. Certification
4. Facilitating market transformation and stakeholders engagement
5. Stakeholder engagement, collaboration and outreach

Objectives

Our aim is to win this year with you, as our valued member with 5 key areas of focus that we want you to support us in:

- Green Buildings
- Sustainable & Affordable Housing
- Advocacy
- Members showcase/ market place
- Youth

Green Buildings

Implementing the green agenda, by building capacity, and leveraging professionals from KGBS membership to have more certified green buildings in Kenya

- Faculty and Training
- Assessment & Certification
- Big brother program
- Revenue model

Sustainable & Affordable Housing

Become a key implementing partner of the housing agenda, to ensure that we are government partners in not only development, but sustainable housing that is mindful of people and planet.

- Greening the Affordable Housing Agenda, at national and county level.
- Leveraging professionals in membership to support at county and national levels.
- Examine supply chain solutions to the housing agenda (materials, professionals and players).
- Sustainable finance

Advocacy

Become a key stakeholder in championing the sustainability agenda by contributing to discussions on policies and laws at National and County level.

- Membership feedback to policies, laws, papers and key issues.
- Capacity Building to government entities (legal professionals within membership).

Members market place

***Networking and leveraging the membership expertise and business
for opportunities***

- Member socials and networking opportunities
- Member exhibitions/showcase

Youth

Students, and young professionals

- Internship and mentorship
- Volunteer opportunities

Outcomes

What do we aim to achieve?
