GRADUATING SENIOR SCHOLARSHIP APPLICATION

Thank you for your interest in the Meet the World Graduating Senior Scholarship! Since our founding in January 2017, it has been our goal to promote literacy and encourage our youth to continue striving for greatness. Because of these goals, the Meet the World Scholarship is not based on grades, but on leadership and educational potential. Sometimes the students with the highest potential are not always the students with the highest grades. We want you to know that we believe in you, and we encourage you.

This does not mean that students with higher GPAs cannot apply. We WANT you to apply. However, a high grade point average will not be the sole qualification for receiving our award. We at Meet the World Image Solutions look for the total student, one who contributes to his or her community, does well in school, and honors history and literacy. If this is you, we can't wait to meet you! While the Meet the World Scholarship will not fund your entire education, we want to help prepare you financially for college. Even students with full rides need help, and we want to be there for you. Just follow these simple application requirements:

- A. Completed scholarship application
- B. 500-word essay on who you are, how you contribute to your community, and how this scholarship will aid your educational and career goals
- C. One letter of recommendation from a teacher, school administrator, or community leader
- D. Proof of community service

Incomplete application packages will not be considered.
