## WHERE IT ALL BEGAN

It began with a slice of cake. Chef Baba Ibazeta-Benedicto has built a loyal following over the years for her delicious, classic desserts at the successful Classic Confections. With the success of her famous Nono's Chocolate Oblivion, named after her father, Baba now brings to life her passion for delicious comfort food with Nono's.

From western staples to local favorites, Nono's is all about doing comfort food right. The Homestyle Fried Chicken, for example, has become a favorite of diners and foodies alike because of our unique and delicious take on this comfort food classic. By serving its juicy and crispy chicken thigh fillet with house-made crispy and flaky waffles, we've created our own and distinct take on the beloved Chicken and Waffles, adding to our growing menu of delectable comfort food offerings.

"Nono's is a personal journey into my childhood and home. As I began to dream of a restaurant and what type of food I would want to serve, I was deeply drawn to, and inspired by, my favorite home-cooked childhood meals and snacks.

"Comfort food is simple. It is heartwarming. It is nourishing. It is home. It is full of happy memories with loved ones. It is food we come back to again and again. For me, it is sharing pepitos with my lolo for merienda, gathering around the table for a hearty breakfast with my family, or savoring hot, cheesy mac 'n cheese on a rainy day."

Welcome to Nono's!  
I hope you enjoy the journey!
