

## **Honours Bursary and Scholarship Competition 2021**

### **Sponsored by SASA, ICCSSA, and SAS.**

It is with great excitement that the SASA Education Committee hereby announces the 2021 SASA Honours Bursary and Scholarship Competition. This competition is open to all current 3rd year Statistics/Mathematical Statistics students who are planning to enrol for an honours degree in Statistics/Mathematical Statistics at a South African university in 2022.

Three awards will be made:

- A bursary of R28 000 sponsored by SAS, awarded based on academic merit and financial need. Note: this bursary is only available to students from SAS accredited universities.
- A bursary of R13 000 sponsored by ICCSSA, awarded based on academic merit and financial need.
- A scholarship of R13 000, sponsored by SASA, based on academic merit only.

#### **Important note:**

- **for the application to be considered, the applicant must be a registered SASA member**
- **SASA membership is free to all full-time students**

The application forms are available on the SASA website (<https://sastat.org/competitions>). The SASA Education Committee will handle the adjudication process. The judges' decision will be final and there will be no correspondence regarding the decision. The deadline for applications is Friday, 7 January 2022, but we would prefer entries as soon as possible. Academic records of final results must be submitted before Friday, 7 January 2022
