2022 SASA HONOURS BURSARY AND SCHOLARSHIP COMPETITION, SPONSORED BY SAS AND ICCSSA

It is with great excitement that the SASA Education Committee hereby announces the 2022 SASA Honours Bursary and Scholarship Competition. This competition is open to all current 3rd year Statistics/Mathematical Statistics students who are planning to enrol for Statistics/Mathematical Statistics at honours level at a South African university in 2023.

Two bursaries will be awarded based on academic merit and financial need:

- A bursary sponsored by SAS to the value of R35 000.
- A bursary sponsored by ICCSSA to the value of R13 000.

An applicant must be a SASA member to be eligible for this competition. SASA membership is free to any full-time student registered for a degree in statistics or a closely related field at an accredited South African tertiary institution. To apply for SASA membership, use the link: <https://www.sastat.org/apply-for-sasa-membership>.

Applications must be completed online: <https://www.sastat.org/competitions/bursaries-and-scholarships>. The SASA Education Committee will handle the adjudication process. The judges' decision will be final and there will be no correspondence regarding the decision.

The deadline for applications is Friday, 6 January 2023, but we would prefer entries as soon as possible. Academic records of final results must be submitted before Friday, 6 January 2023.
