

THE ANNUAL DESIGNERS CONFERENCE 2022

14TH- 16TH DECEMBER 2022

AT

SAROVA WHITESANDS BEACH RESORT & SPA MOMBASA, KENYA.

About the Event

2022 Annual Designers Conference is a celebration of centrality role Designers play in supporting the development of this country and seeks to present and discuss the status of Design Profession in the Kenya. It's a platform to share lessons learnt, make recommendations on how to move the profession forward (especially interior Design) and how best to include designers in matters relating to Sustainable Development Agenda.

Annual Designers Conference is the annual gatherings of creative professionals in the Kenya that attracts participants in the built environment and other creative spheres who share their industry experience and develop a working framework for the year ahead. This year, the hosting of this conference is a Capacity Development Programme initiative in partnership with Key Design Market Leaders like you to share the best in the industry through Building Design & Materials Exhibitions, paper sessions, keynote presentations, panel discussion, demonstrations and other modes of discussions.

The conference will focus on insights relating to innovations, sustainable practices, emerging Building Technologies & market trends, Green buildings, project management as well as promotion of the Project & Business Development Agenda.

The conference theme is “**Working towards Inclusive & Sustainable Design Practices, methods and Processes**”. Sub themes are;

- a. **Changing mindsets for Green Technologies in Interior Design Practice in Kenya (Interior Design Sessions); and**
- b. **Topical Design practices; Missed Opportunities(Graphic Design Sessions)**

The delegates.

Government officials, supervisors and policy makers; Heads of Design consultancies; Consulting Interior Designers and other Built environment professionals including Architects, Quantity Surveyors, Building Surveyors, Engineers, Landscape Architects, Urban Planners among others, Furniture & Furnishings experts, other Professional Designers; Business professionals; Design Educators; Décor & Exhibitors; Professionals in Art, Design, Print Media, Product and industrial design; and Design students;
