BUILD CAPABILITY OF ACCOS TO USE LOCALLY RELEVANT DATA

Join us for a specially tailored session for ACCOs and the East Kimberley early childhood sector.

Together we will learn more about using AEDC data to reflect on, analyse, interpret and present data to support the work we do together to strengthen children and families.

SESSION 1

Introduction to building data interest & literacy

SESSION 2

AEDC Data introduction

SESSION 3

Data Story: What is the story behind the data
