

T O O G

TANZANIA
UGANDA
OIL & GAS
SYMPOSIUM

GETTING STARTED WITH YOUR TRAVELS

For those traveling by air, it is advised that you book early enough to secure good deals. You can find flight options here: <https://www.farecompare.com/> or Uganda Airline: <https://www.ugandairlines.com/>

For those traveling by road, you can get your bus tickets from your regional bus companies in Uganda.

Pick ups from the airport and bus station will be arranged for those that will submit their itinerary to the organizers of the symposium

KARIBU TANZANIA

We welcome you to the land of Kilimanjaro, Serengeti and Ngorogoro. This travel guide will help you plan your trip and ease your navigation around the cities of Tanzania. We hope that you find this guide useful as you continue to prepare to attend the Oil and Gas Symposium. We wish you a pleasant stay in Tanzania.

COVID-19 INFORMATION

It is required that you possess a negative COVID-19 result from a certified laboratory in Uganda before you can be allowed entry into Tanzania. As you prepare for your trip, it is advised that you take COVID-19 test within 72 hours before your trip to Tanzania

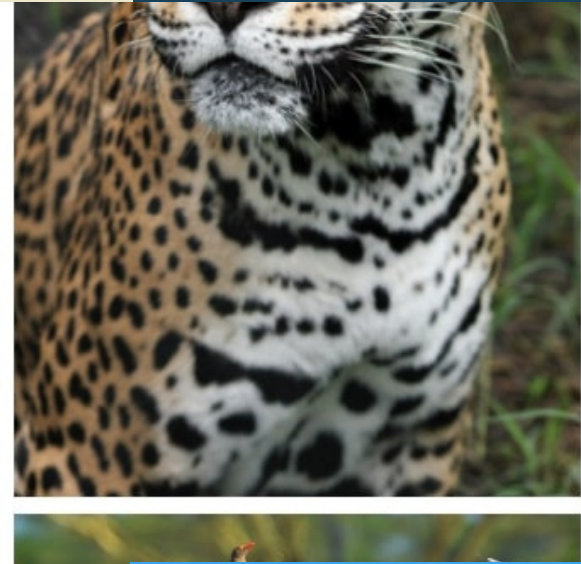

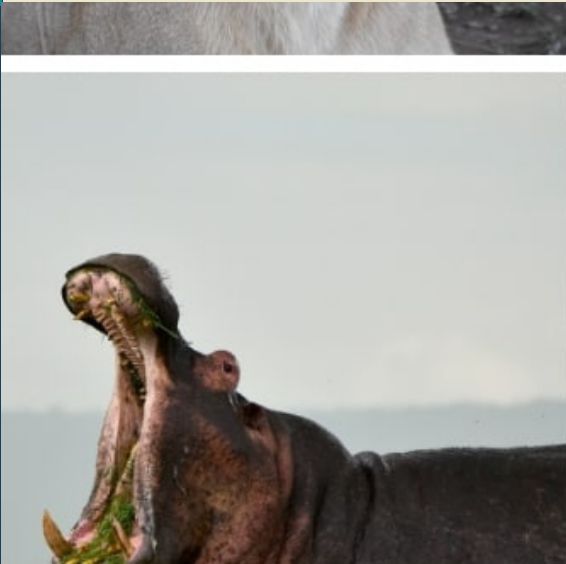

COVID-19 TEST BEFORE DEPARTING TANZANIA

The organizers of the symposium will arrange for COVID-19 test at the venue of the event. Those that are interested to be tested at the venue will have the services provided there.

DAR ES SALAAM - THINGS TO NOTE

Dar Es Salaam weather is moderately hot (between 26 - 32 degrees Celsius) and humid. It is advised to pack light clothes and other corporate clothes to give you convenience all round the day.

You can use either taxi, rider share app or motorbikes to move around the city, depending on your preferred choice of commuting

You can access sim cards upon arrival in Dar Es Salaam and you can choose from any provider of your choice; Vodacom, Airtel, Tigo, Halotel, Zantel and TTCL. You can subscribe to both international call and internet bundles

You can also access WiFi connections in your hotel and event centre.
