

Sponsorship Prospectus

The 2024 IPAC Mentorship Gathering and AGM will take place July 12-14 in Halifax at the College of Medicine at Dalhousie University.

Our annual gathering is an opportunity for Indigenous Medical Students, Residents, Physicians and associates, both members and potential members, to come together to share stories of their academic journeys, grow their networks, and enjoy cultural activities.

Our theme for 2024 is 'Our Stories, Our Medicine.' Our event will feature panels

and presentations focused on how Indigenous physicians are uniquely positioned to use storytelling to impact the health of our land and our people. We invite you to partner with us as a sponsor where you will have the opportunity to:

- Contribute the TRC Calls to Action around healthcare
- Reach over 300 Indigenous physicians, residents and medical students online
- Connect with 150+ Indigenous physicians, residents and medical students in-person
- Learn what our members are doing by engaging in academic sessions

Indigenous Ways: *You will notice that there are no exhibitor tables. Sponsors of our events have given us the feedback that there is more value in building relationships during our events than attending a booth. There will be one or two tables where sponsors can put out their brochures (optional).*

CEDAR \$10,000	SWEET GRASS \$5,000	SAGE \$1,000	TOBACCO In-Kind Contributions	IPAC AWARDS SPONSORSHIP \$5000
