WHO WE ARE

The **Philippine Financial & Inter-Industry Pride (PFIP)** is a collaborative, voluntary and non-profit community of practice composed of dedicated representatives from LGBT+ employee resource groups and/or human resource/diversity teams of private firms in the Philippines.

We started with five companies from the banking and financial industry in October 2013 and now have **over 50 members from across multiple industries**. Our member organizations are some of the largest multinationals in the country, all of whom are proud equal opportunity employers and recognized employers of choice.

THE PFIP SPORTSFEST

After a brief hiatus due to the COVID-19 pandemic, the PFIP Sportsfest is back again. Organized by Engagement Pillar, the PFIP Sportsfest aims to foster camaraderie within the PFIP community as we continue our work in driving a more LGBT-inclusive workplace environment. It comprises various sporting events to engage our members better.
