**Bio of presenter:**

**Daryl Glass**

Daryl holds a CProf (SA) designation and has a BCompt, MBA and Post-graduate diploma in Compliance Management.

Daryl worked at the Liberty Group between 1992 and 2007 and served in various capacities including as Head of Forensic Services and Head of Group Compliance and Group Compliance Officer for all entities within the Group.

Since 2007, Daryl has run a business consultancy practice whose main focus is on Governance, Risk, Compliance and Forensic services. He has provided services to a broad range of South African and international clients within both the private and private sectors across various industries. Daryl's focus is to equip and enable organisations, their governing bodies and management to efficiently and effectively manage all forms of risk and meet relevant leading practice requirements. He led the development of the Public Sector Compliance Framework as a consultant to National Treasury.

Daryl participates extensively in the development and delivery of the core compliance training programmes of the Compliance Institute of Southern Africa and also previously served as a Director of the Institute between 1999 and 2006. Daryl has and does serve in various capacities on or as an advisor to the boards of several other organisations.

**Please note:**
CISA will make every effort to host the specified training on the date / s as advertised. However, should unforeseen circumstances arise or an extenuating circumstance that is out of our control, we reserve the right to cancel or postpone the training. In event of CISA cancelling and or postponing the session, communication will follow in writing for next steps.

## Course content – the detail

The revised version of the GACP recognises the importance of having a Compliance management system that effectively addresses all critical aspects of compliance management. It introduces an outcomes-based approach to compliance management.

The GACP framework now consists of principles, outcomes, standards, and supplementary guides that act as a benchmark for compliance best practice that organisations and their compliance officers should apply.

Understand the core changes to the elements of the framework.
