The most important opportunity & decision of this generation

This year, Australians will be asked if there should be constitutional recognition of Aboriginal and Torres Strait Islander people.

To increase awareness and understanding of the upcoming Referendum and Voice, we are having information sessions in your community to talk about:

- 'What' are you being asked to support at the referendum?
- 'Why' do we need to recognise the first Australians in the Constitution?
- 'How' will we recognise the First Peoples?

Thursday 17th August 2023
Community Hall 3pm-5pm
