## Hardware

### Point-of-Sale System

We offer a range of cost-effective POS systems to manage inventory, payroll, staff, cash, and more.

### Mobile Swiper

A mobile payment processing solution to accept payments on the go. All you need is an iPhone or Android device.

### Terminal

Upgrade to an EMV-capable credit card terminal and reduce your business's chance of fraud.

## Processing

### RewardPay™

Save 60-90% on your credit card processing fees. Accept credit cards at no cost to you with 100% compliance.

### CashRewards™

Offer your customers a discount for using cash or check to pay for your products or services.

### Flat-rate Processing

Know exactly what your payments are going to cost by setting out fixed pricing.

## Software

### Ecommerce

Seamlessly embed an online shopping cart to your website, blog, Facebook page, and more! It's time to upgrade how your online business engages your customers.

### Registration

Create an event online in less than 10 minutes while enjoying features like customizable landing pages, a unique questionnaire builder, and reporting to help simplify your registration process.

### Invoicing

Send branded and digitized invoices, automate recurring payments, process credit card payments, and track your hours - all in one versatile platform!

### Insights

An analytics tool built for the small business owner. Stay informed on your local market through reputation management and competitive insights.

### Virtual Terminal

Enjoy simple, online credit card processing that deposits funds into your bank account within 48 hours. Say goodbye to your outdated, tedious card swipe technology!
