

24th ANNUAL

JUNE 1st ,2023 | ENOCH | THE RIVER CREE
RESORT AND CASINO

Welcome

The APWA Alberta Chapter would like to extend a welcome to all sponsors, volunteers and participants to the 24th Annual Equipment Rodeo! This year we will be hosting the Rodeo in conjunction with our Annual Conference.

Please fill out the attached contestant & volunteer registration sheet ASAP so that the preparations can begin. All operators must fill out and submit the attached waiver/hold harmless agreement. Due to timeframes required to produce prizes/gifts, it is imperative that I receive these forms before May 19, 2023. There will be no exceptions! If you do not comply the next team on the waiting list will be chosen.

Prizes:

In the past we have been able to supply enough prizes for all contestants. Please supply one prize for each contestant, per event, you are sending (value \$50/prize) or a cash donation for the purchase of prizes. Swag is not allowed as a prize. Swag is welcomed as an added gift If you require any information, please contact Jeannette Austin at 403-990-2792 or by email at office@publicworks.ca.

email: joe.guido@edmonton.ca

Accommodations:

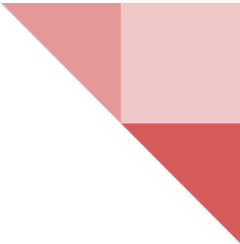

A room block has been set up at The River Cree Resort and Casino in Enoch, (300 East Lapotac Blvd). Reservation code American Public Works, Alberta Chapter. Rooms must be booked by May 4, 2023, cost \$170 per room.

General Rules

- A municipality/agency may enter as many operators in each event as they wish.
 - All events will be timed. Time will be the determining factor if there is a tie.
 - Course diagrams are guidelines only; the equipment used determines final setup.
 - The maximum time for each event will be ten (10) minutes. If a contestant reaches the maximum allowable time for the event, the Judge will signal with one long whistle blast, at which time the contestant must stop equipment. The contestant will be awarded points up until the Judge has given the time-out signal.
 - Time stops at finish lines when equipment is stopped, park brake applied and contestant sounds one short blast of their horn.
 - Contestants are expected to operate the equipment in a manner befitting professional operators. Un-professional operation will result in reduction of half of total points scored.
 - **Unsafe operation will result in an immediate disqualification of the contestant.**
 - **Zero tolerance for use or consumption of drugs or alcohol. Anyone found to be under the influence will result in an immediate disqualification**
 - Various obstacles require that a volunteer take measurements. In such cases, the following instructions apply:
 - When the contestant is satisfied with the position of their vehicle, they shall sound one short blast of his horn as a signal to the Judges that they are ready to be measured.
 - The contestant will hold the equipment stationary until the judges complete their required measurements. Measurements shall be taken as quickly as can accurately be made.
 - When the measurements have been completed, the judge will give one short whistle blast indicating that the contestant may proceed to the next obstacle.
 - A contestant, at their discretion may pass on any obstacle or may pass on an obstacle after attempting to negotiate it. In either case no score will be awarded for that obstacle.
 - The following will be penalized 10 points for each infraction:
 - Sticking head out door or window
- 
- 

- 
- Not wearing seatbelt during competition
 - Landmarking
 - Equipment or vehicle NOT being in low range or first gear
- No practicing allowed on official courses

Any discrepancies will be solved at the discretion of the Event Coordinator and Main Judges.

Networking Night - Wednesday

Join us at The River Cree, Enoch Ballroom, from 6:00pm -9:00pm, for a night of fun, networking and entertainment hosted by Comedian Herb Dixon. This night is a great opportunity to meet teams from across the province and to support the suppliers who help make the Rodeo a success!
