

# Accelerator Checklist

## Week 2 Objective

Welcome to Week 2 of the USBC Accelerator! This week we have a few tasks for you to complete by Monday June 17th. Each task is designed to help identify your businesses strengths and weaknesses. You will identify areas for growth and improvement, develop an action plan, and find resources to help you take your business to the next level. You will also have an opportunity to connect with your peers and share best practices.
