## A Systematic Review of the Soteria Paradigm Diagnosed With Schizophrenia

Tim Calton<sup>1,2</sup>, Michael Ferriter<sup>3</sup>, Nick Huber<sup>3</sup>,  
Helen Spandler<sup>4</sup>

...the Soteria paradigm yields equal, and in certain specific areas, better results in the treatment of people diagnosed with first- or second-episode schizophrenia spectrum disorders (achieving this with considerably lower use of medication) when compared to conventional, medication-based approaches...
