MEET OUR BOISE TEAM

She has 25+ years experience in healthcare. Most of her career was as an RN in a hospital setting. She moved to a national insurance company educating & developing brokers as a Market Sales Manager for the state of Idaho. Her passion is supporting seniors with their Medicare decisions and helping them achieve their health goals.

MICHAEL McSHANE

(208) 973-9704

Michael@MedicareGI.com

Following his passion to be in the medical field Michael began his career as a cytologist diagnosing cancer. Overtime Michael moved to the business side of medicine where he managed several medical laboratories. Later, while serving as the Director of Sales for UHC Michael saw the great need for Medicare education. With this new insight Michael accepted a position with 90 Days to Medicare on a quest to fundamentally change the way seniors access their Medicare benefits.

Health Insurance Life Cycle

Mission Statement

**To fundamentally
change the way
Idahoans access their
Medicare**

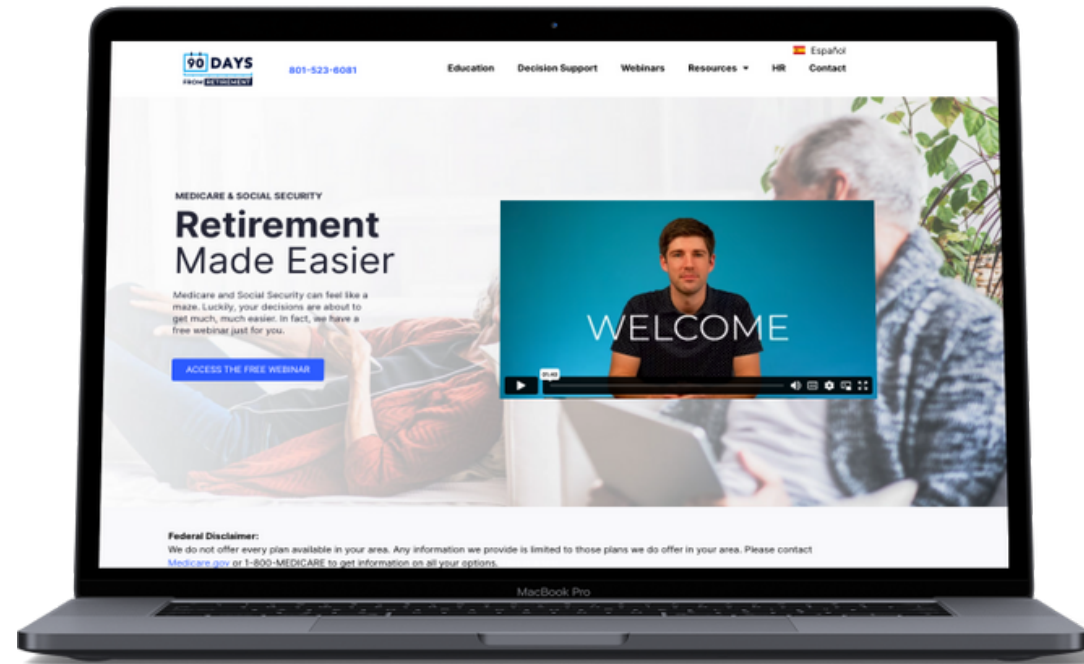

A Step beyond the agent approach

- **Educational based - not sales driven**
- **Retiree in control of the process**
- **Timeliness - when you are actually retiring**
- **Dignified / Personalized / Safe Process**
- **Service beyond the sale (annual review)**
- **Local Team - with a National reach**

Our Pledge to You

- You will be the Gatekeeper of our relationship with your client
- We will follow your lead and recommendations
- We will make this process as painless as possible
