

The 2024 Annual Chapter Partner Program is a comprehensive marketing plan with benefits exclusive to the program. It is a one-stop marketing solution. Through the Annual Chapter Partner Program, members unlock advertising and sponsorship opportunities that directly reflect our mission. All partners are included on signage at every chapter program and event, listed in printed marketing material WMCCAI develops, and given repeated recognition throughout the year in print and electronic channels.

WMCCAI's Mission - Educating, empowering, and connecting stakeholders to strengthen community associations.

EDUCATE:

- NEW THIS YEAR! Platinum and Gold Annual Chapter Partners can provide a 30- or 15-minute video, respectively, to post in the chapter's OnDemand Library!
- NEW THIS YEAR! Discounted advertising in Quorum Magazine to illustrate your products and services.

EMPOWER:

- Annual Chapter Partners can customize their Partner Package by applying Partner Dollars to additional sponsorships, advertising, or registrations throughout the year.
- Utilize your company benefits as a business development tool by inviting clients to use your complimentary event tickets.
- Use discounts on other programs to expand your exposure in Quorum Magazine or on the chapter website as well as with program & event sponsorships.

2024

NEW IN 2024! PLATINUM LEVEL

- The new highest level of partnership, the Platinum level includes exposure in every area of the chapter, online and in-person. Only TWO Platinum sponsors will be confirmed based on first come, first served; the first two companies who return a completed form via email (for time received stamp) will be accepted as Platinum sponsors.
 - Note – the two Platinum sponsors cannot be direct category competitors based on the category listed in the company's CAI membership database.

NEW BENEFITS FOR 2024!

- Sponsored content email blast to all chapter members.
- Advertising discount to expand marketing reach.
- Banner ads on chapter website.
- Sponsored content video posted in OnDemand Library.
- Exclusive access to Annual Chapter Partner Lounge at major chapter events (JumpStart January, Conference & Expo, and Awards Celebration).

Notes for all levels of Annual Chapter Partner benefits:

- Marketing Dollars is a credit provided to the Partner company to purchase additional sponsorships, registrations, or advertising during the Partner calendar year. These credits cannot be used for the Annual Chapter Partner invoice or for programs outside the calendar year (2024).
- Complimentary tickets can be used for company staff or used to invite others outside the Partner company to attend events, free of charge.
- Logo, artwork, advertisements, videos and any other display marketing images are provided to WMCCAI by the Partner company. WMCCAI cannot produce those materials. If the Partner company needs assistance from a graphic artist, chapter staff can provide a list of companies to contact.
- Benefits that are limited in quantity at one time are assigned based on the Annual Chapter Partner Profile form and then level of Partner (i.e. Platinum gets first pick, then Gold, and etc.). If there is a conflict in that process, time stamp of receiving the form will be the tie break.
