

NOLANDS TEXAS SCRAMBLE

GAME PLAY RULES: TEXAS SCRAMBLE

- ✓ All players tee off and the best drive is selected from the fourball.
- ✓ All players play from the same spot for the second shot and thereon.
- ✓ Once on the green, the same approach is followed whereby all players putt from the same spot. Once holed, that is the score for the hole for the fourball.
- ✓ **The catch:** Every players tee-shot must be used at least 3 times.
- ✓ **Scoring:** Stableford points will be applied with 1 score per hole being calculated, as the whole fourball team plays off 1 handicap. The total team handicaps are indicated on the next page and have been calculated as follows: 25% low / 20% / 15% / 10% high. Once you've tallied up your scores, please give your score cards to Anthony Hobson.
- ✓ Max handicap of 36.
- ✓ Note: Food and beverages at the halfway house are complimentary for golfers.
