

THE DREAM OF HOMEOWNERSHIP IS REAL

we're here to help you

build your business while
expanding homeownership
opportunities for your borrowers
needing downpayment support

When you do business with us, you not only get to work with industry-leading sales experts and an award-winning customer support team, you get:

- Access to competitive pricing for your borrowers using Rate GPS®, AXIS, and most LOS and pricing engines.
- Extensive training for your company, including expertise from professionals in a wide range of industries such as business, leadership, and lending specific topics.

It's more than that — you are part of our commitment to our community. We support local and national non-profit organizations through donations and volunteerism, including our partnership with the **MBA Opens Doors Foundation**, where National MI will donate \$.24 per every new loan insured in 2024 to help keep families with critically ill or injured children in their homes 365 days a year.

Since opening its doors, the MBA has helped nearly 50 families in the state of Hawaii through financial assistance.

If you'd like more information about how **we can help you grow** your business, call us!
