Investment Forum

Info on Activities

*The Philippine Investment Forum to Spain provides opportunities for Spanish and Filipino businesspeople to discuss bilateral trade and long-term investments. The focus will be on: **Infrastructure/Construction** (including water infra), **Large Scale Agri-Business**, and **Energy**. Leading Philippine Firms in these key industries/sector are invited to join this crucial forum.*

The 3-day Program allows pre-scheduled meetings between Philippine and Spanish Firms who would like to discuss certain investments even before the actual event dates. After the plenary talks, there will be Business-to-Business (B2B) time allotted for everyone to have more time to network and discuss specific business proposals or projects.

Panel of Reactors and Q&A Forum

The Panel of Reactors will be coming from both sides, Philippines and Spain. They will come from the key industries and will share their insights and comments after the talks are given.

There can be few questions to be entertained every after the plenary talk, but there will be an allotted Open Forum at the end of all the talks and after the panel of reactors finished their sharing of insights and comments.

The Working Committee (Organizers & Collaborators)

The Philippine Investment Forum to Spain: Unlocking Potentials + Opportunities Road Show is a private-initiated event to support current PBBM Administration's call for more Foreign Direct Investments (FDIs) and Public-Private Partnerships (PPPs) that can bolster and sustain the robust economic growth of the Philippines.

The Core Organizers and Collaborators of the Event are University of Asia & the Pacific (UA&P), IESE Business School, Economic and Commercial Office of Embassy of Spain in the Philippines, Philippine Embassy in Madrid, Philippine Consulate General Office in Barcelona GT Capital Holdings, EDI-Staffbuilders International, Inc., WEnergy PH, Vinta Ventures, Inc., GAAD Inc., Lionhearts Farm Inc., and EMSAVVIL Law.

Special thanks to the Office of the Presidential Adviser on Investment and Economic Affairs for the endorsement and support to the Core Organizers and Collaborators. Big thanks also to Elecnor PH and Acciona PH who have been very active since preliminary meetings for the said event.

Special thanks as well to La Camara, The Spanish Chamber of Commerce in the Philippines, for being a key collaborator of the event.

The Working Committee is also very thankful to other collaborators and sponsors who wished to remain anonymous. Most importantly, the Core Organizers are thankful to the PH and Spanish Delegates making the PH Investment Forum productive and engaging.
