### Current Trends in International Arbitration in South Eastern Europe: Navigating Geopolitical Shifts, Regulatory Dominance, and the Emergence of AI

How can we effectively navigate the complexities of SEE's legal landscape amidst digital transformation, climate change, public policy and other concerns of the new age ensuring that arbitration remains a pillar of justice and stability in the region?

After the success of our inaugural first edition last year, the South Eastern Europe Arbitration Conference (SEEA) is thrilled to announce its much-anticipated second edition, returning to the vibrant city of Vienna this autumn, on 26 September 2024. Join us for another day of enriching discussions, insightful panels, and networking opportunities in the beautiful setting of the Almanac Palais Hotel Vienna. Mark your calendars now and stay tuned for more details!
