

Our Vision

A Hunger-Free Central Gulf Coast

Our Mission

Feeding the Gulf Coast fights hunger through community partnerships and programs by creating equitable access to nutritious food and resources for those facing systemic poverty, crisis, or disaster.

About Us

Feeding the Gulf Coast (FTGC) serves 24 counties spanning South Alabama, South Mississippi, and the Florida Panhandle. In 2023, the food bank distributed more than 30 million meals through more than 800 community partners throughout its service area. Beyond food distribution, the food bank operates multiple hunger relief and nutrition programs, including child and senior nutrition programs, benefits outreach, nutrition education, and disaster relief. A four-star rated organization by Charity Navigator, Feeding the Gulf Coast is one of the most efficient nonprofits nationally, with over 98% of all donations being put back into the community. For every dollar donated, 5 meals are generated for those in need.

FTGC is a partner food bank of Feeding America and a member agency of United Way.

Individuals in need of food assistance, can visit www.feedingthegulfcoast.org or call our office at (888) 704-FOOD.
