LEAD THE CHANGE WITH EXCLUSIVE CORPORATE OFFERS.

Dear EUROCHAM members,

For businesses today, agility is key. The ability to move quickly, pivot powerfully and perform exceptionally while staying true to a vision of success is exactly what the new BMW 5 Series Sedan embodies - in two distinct ways.

Through the **BMW 530e M Sport**, it's with a touch of the electrifying - featuring a combined 252hp and 420Nm of power, along with an electric-only range of 67km*, it's the kind of smart mobility that future-forward businesses thrive on.

Meanwhile, technological advancement comes to the fore with the new **BMW 530i M Sport**, which delivers 252hp and 350Nm of torque along with cutting-edge features such as the iconic BMW Laserlight and enhanced Gesture Control to kickstart success in an exciting way.

More importantly, the new BMW 5 Series Sedan is available to your organisation with a host of corporate benefits for exceptionally cost-effective purchase and ownership, including:

- Attractive corporate rebates
- Business Professional Solutions with instalments from as low as RM5,278 monthly

So, ready to change the way you lead, and lead the way you change? Contact our Corporate Sales representatives now at corporatesales-my@bmw.com.my.

*67km electric driving range is dependent on driving conditions
