

SINGAPORE'S CONTINUED SUCCESS: OPPORTUNITIES FROM ISKANDAR MALAYSIA

WEDNESDAY 30TH AUGUST, 2017
9.00AM - 1.00PM
NTUC CENTRE, ONE MARINA BOULEVARD, SINGAPORE

In line with the broad economic development plan for Malaysia, as a whole, one of the areas identified for high-value growth in Iskandar Malaysia includes Global Business Services (GBS) and shared services-related activities. Thus, companies that choose to locate GBS operations in the area can capitalise on the nearshore opportunities, as well as regional market access, all while taking advantage of the talent, infrastructure, competitive-cost and liveability factors in Iskandar Puteri.
