

REAL INTERVIEWS.  
REAL OPPORTUNITIES.

## 2025 DRAFT DAY EXPO DETAILS

Participating in Draft Day offers companies a unique opportunity to connect with the next generation of talent in a meaningful and impactful way. Draft Day brings local and regional companies face to face with local high school students, specifically seniors ready to go to work in the technical roles companies are looking to fill. Be Pro Be Proud carefully matches seniors with companies for real interviews based on their interests and your company’s hiring needs.

By participating in this one-of-a-kind event, companies can showcase their industry, build their brand among young, motivated individuals, and directly engage with potential future employees. It’s an unparalleled chance to invest in the workforce of tomorrow while contributing to the career development of students in your community.
