

Innovations in Production Technology – Machine Tools from Germany VDW - Symposium

งานสัมมนาวิชาการด้านนวัตกรรมเทคโนโลยีเพื่อการผลิตด้วยเครื่องมือกลจากเยอรมนี
โดยสมาคมผู้ผลิตเครื่องมือกลเยอรมัน (VDW)

Bangkok, September 27-29, 2022

Program

Innovations in Production Technology – Machine Tools from Germany

VDW Symposium

งานสัมมนาวิชาการด้านนวัตกรรมเทคโนโลยีเพื่อการผลิตด้วยเครื่องมือกลจากเยอรมนี
โดยสมาคมผู้ผลิตเครื่องมือกลเยอรมัน (VDW)

Surasak Room (11 Fl.),
Eastin Grand Hotel Sathorn Bangkok

Wednesday, September 28, 2022

08.15	Registration	
09.00 - 09.10	Welcome Remarks Mr. Klaus-Peter Kuhnmünch VDW – German Machine Tool Builders' Association	
09.10 - 09.20	Welcome Remarks Dr. Roland Wein Executive Director, German-Thai Chamber of Commerce (GTCC)	
09.20 - 09.30	Opening Speech Mr. Georg Schmidt Ambassador, German Embassy Bangkok	
09.30 - 09.50	Keynote Dr. Somsit Moonsatan Chairman of Machinery and Metal Work Industry Club, The Federation of Thai Industries (F.T.I.)	
09.50 - 10.10	Ribbon Cutting Ceremony & Coffee Break	
10.10 – 10.20	Introduction of German participants by Asst. Prof. Dr.-Ing. Kumpanat Sirivedin, The Sirindhorn International Thai-German Graduate School of Engineering (TGGs) Moderator	
10.20	Presentation 1 TRUMPF SE + Co. KG (Holding) Mr. Patrick Kemnitz	Route to connected manufacturing – Smart Factory solutions for sheet metal processing from TRUMPF
10.50	Presentation 2 DMG MORI/DECKEL MAHO Pfronten GmbH Mr. Matthias Wölfel	“Technology Integration – Booster for Efficiency”
11.20	Presentation 3 Maschinenfabrik Berthold Hermle AG Mr. Oliver Prpic	5-Axis Machining and what to consider
11.50	Presentation 4 INDEX-Werke GmbH & Co. KG Mr. Mert Turan	Turning and milling in new Dimensions!

12.20 - 13.30	Lunch & Networking Session	
13.30	Panel Discussion: Dr. Frank Neuscheler, Robert Bosch GmbH Mr. Somphop Klyosumphan, Thai Subcontracting Promotion Association (THAI SUBCON) Mr. Chatchai Pholmoon, Thai Automation and Robotics Association (TARA) Dr. Somwang Boonrakcharoen, Thai-German Institute (TGI)	Smart and sustainable manufacturing in Thailand
14.45	Presentation 5 GROB-WERKE GmbH & Co. KG Mr. Uwe Wedler	GROB as Innovation Leader in Machine Tools and E-Mobility
15.15	Presentation 6 Alzmetall Werkzeugmaschinenfabrik und Gießerei Friedrich GmbH & Co. KG Mr. Roland Ilg	New Approach Manufacturing Strategies using 5-Axis Simultaneous Machining Centers for Aircraft Industry Applications, Mechanical Engineering and Automotive Industry
15.45 – 16.00	Coffee break	
16.00	Presentation 7 BLOHM JUNG GmbH Mr. Kim Bruhnsen	High-productive creep feed grinding as an alternative manufacturing concept
16.30	Presentation 8 OPEN MIND Technologies AG Mr. Kam-Tong Chan	CAM – A Critical Element in Machining
17.00	Wrap-up & Closing of Symposium by Asst. Prof. Dr.-Ing. Kumpanat Sirivedin Moderator	
17.10	End of VDW-Symposium	
14.00 - 17.00	Individual Business Matchmaking between VDW participants and Thai companies Surasak 2 Room (11Fl.)	
Start 17.10	VDW-Symposium Networking Reception Antito Restaurant (14Fl.)
