Independent Auditor's Report to the Members of  
THE BELGIUM-LUXEMBOURG CHAMBER OF COMMERCE IN HONG KONG  
(incorporated in Hong Kong with limited liability by guarantee)

OPINION

We have audited the financial statements of The Belgium-Luxembourg Chamber of Commerce in Hong Kong ("the chamber") set out on pages 4 to 8, which comprise the statement of financial position as at 31 December 2020, the income statement for the period then ended, and a summary of significant accounting policies and other explanatory notes.

In our opinion, the financial statements of the chamber are prepared, in all material respects, in accordance with the Small and Medium-sized Entity Financial Reporting Standard ("SME-FRS") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

BASIS FOR OPINION

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSA") and with reference to PN 900 (Revised) "Audit of Financial Statements Prepared in Accordance with the Small and Medium-sized Entity Financial Reporting Standard" issued by the HKICPA. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the chamber in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and we have fulfilled our other responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

OTHER INFORMATION

The executive committee members are responsible for the other information. The other information comprises all information included in the executive committee members' report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Independent Auditor's Report to the Members of  
THE BELGIUM-LUXEMBOURG CHAMBER OF COMMERCE IN HONG KONG  
(incorporated in Hong Kong with limited liability by guarantee)

#### RESPONSIBILITIES OF EXECUTIVE COMMITTEE MEMBERS' FOR THE FINANCIAL STATEMENTS

The executive committee members are responsible for the preparation and presentation of these financial statements in accordance with the SME-FRS issued by the HKICPA and the HKCO, and for such internal control as the executive committee members determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the executive committee members are responsible for assessing the chamber's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the executive committee members either intend to liquidate the chamber or to cease operations, or have no realistic alternative but to do so.

#### AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. This report is made solely to you, as a body, in accordance with section 405 of the HKCO, and for no other purpose. We do not assume responsibilities towards or accept liability to any other person for the contents of this report.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of auditor's responsibilities for the audit of the financial statements is located at HKICPA's website at "<http://www.hkicpa.org.hk/en/standards-and-regulations/standards/auditing-assurance/auditre/>". This description forms part of our auditor's report.
