This is my best event in Vietnam. Many thanks to Ringier's hospitality and professional arrangements for all the summit programs. I really like this summit, which is very meaningful to us.

— Chester Su, Vinh nghiem organic food Ltd., CEO

Thank you very much for giving me a great opportunity to join your event which left me a special impression.

That was a really informative and useful event for me and I learnt the updated sectoral information in Vietnam and the trend in the Vietnam region. Many valued sharing's and presentations were performed during the summit. Many booths from reliable companies shown their attractive products and up to date technology. The field trip was excellent. The logistic arrangements were perfect with your regular friendliness from your management and all staff.

I hope to join your next events in Vietnam in the near future.

—Jovi Li, HANTECH BIO – TECHNOLOGY CO., LTD., International sale manager

What AFBV 2019 Sponsors Said

Jurgen Willems, General Manager, Printpack

I am very happy to thank Ringier for hosting this Vietnam event.

I believe this is very helpful for our market in Vietnam. I will see you again next year!

This is my first time to attend a business meeting different from the exhibition format. I was surprised that the effect was completely better than I expected.

I really feel that Ringier's serious efforts in this meeting, happy to see a lot of potential customers, thank you Ringier!

Orianna, Manager, DASE-SING Packaging Technology Co., LTD.

Jody Yu, Sale, Shanghai Precise Packaging Co. Ltd

Thank you, Ringier, for this conference in Vietnam. This Conference feels like creating a lot of opportunities for my business. The service here is beyond my expectations! Thank you very much!

Organizer

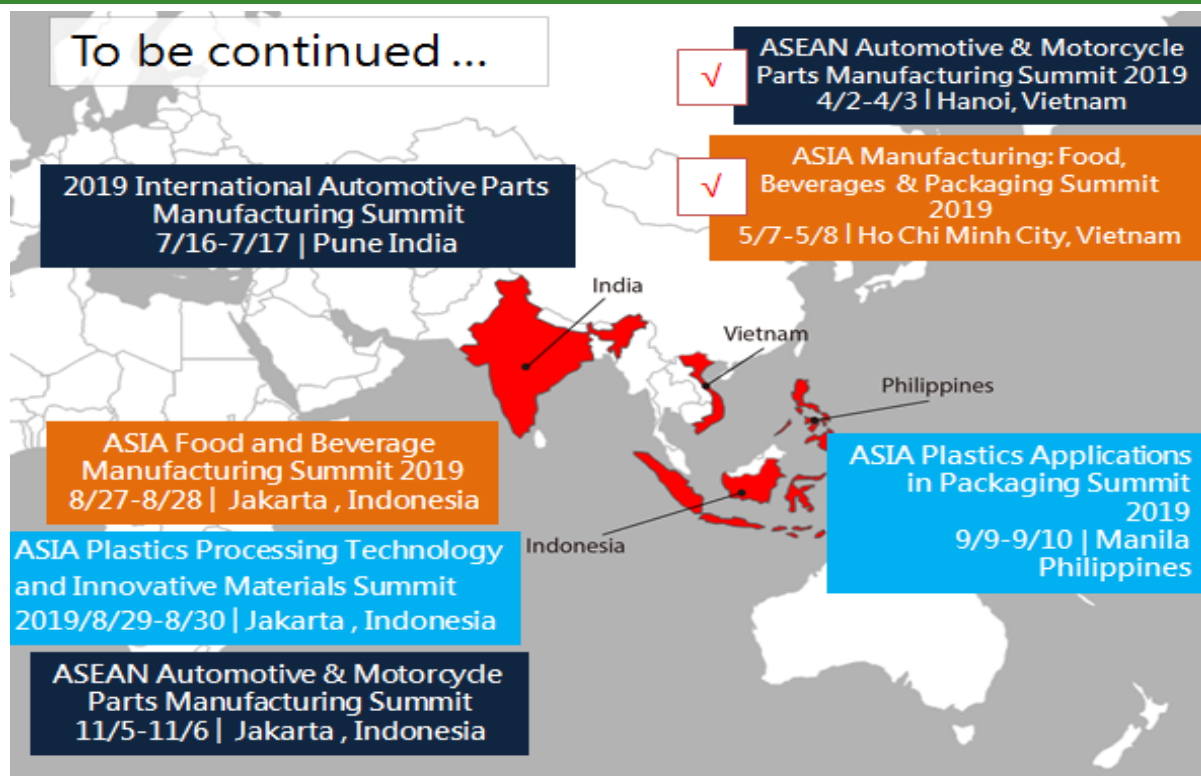

Connecting industry through information exchange!

Taking advantage of powerful media resources, Ringier Conference covers the industries of plastics, food, personal care, medicine & health care, nonwovens, coatings & ink, automobile, metal, mold & die, package, composite material, and the latest technologies. Since 2003, we organize over 20 high level conferences bringing industry leaders together for information exchange and networking opportunities in China and successfully extend into S.E.Asia from 2014.

A series of conferences in S.E.Asia that cater specifically to industry verticals like metalworking technology, plastics processing, automotive, food beverage processing & packaging representing growth sectors in many S.E. Asia countries. These sectors require high levels of technology and upgrading to meet the growing needs of sophisticated consumers both domestically and for export markets.

Conferences organized by Ringier not only provide industry leaders with the latest technologies, but also help Greater China enterprises innovatively explore new markets. For more information, please visit www.ringierevents.com
