PAP's goal is to serve the Philippine F&B sector – big and small alike. We achieve this, by bringing local and international Experts and Suppliers to share their knowledge and solutions that can alleviate industry's challenges and help your business grow.

Feedback provided through voluntary completion of the post PAP 2019 delegate survey and testimonials:

100% said they learned something useful from the presentations

97% said they experienced positive impact on their learning /enjoyment in the format of the presentation.

90% said the conference helped to establish new alliances or build relationships with international industry peers.

190 Industry professionals visited the Summit

81 Companies connected successfully with new partners

7 Countries were represented

Businesspartner

Gary Tu, General Manager of Everlon:

Everlon and Ringier work for many years together. We attend on average 5 conferences organized by Ringier Events a year, where we met many qualified potential clients and expand our customer database.

Businesspartner

Barbie Dizon, Strategic Marketing Executive, ADParametrik Inc.:

Thanks to Ringier staff for a successful event. We appreciate your efforts, not a single frustration in sight!

VIP Delegate

Alvin Lavadia, Packaging Material Manager at Pepsi-Cola Products Phils. Inc.:

Very timely topics paired with great selection of subject matter experts (SMEs). Interactions between SMEs and participants were met accordingly. All these things were executed on an atmosphere conducive to education.

Businesspartner

Jovy Chen, Sales Manager, Dase-sing Packaging Technology:

Great educational experience ! Very organized and insightful event! Definitely recommend for companies who want to enter the local market.

				
				
				
				
				

From the biggest to the smallest – F&B manufacturers and Contract Packaging Companies gathered to listen to our invited Industry experts:

Claudio Domasi – Sales Director at Frigel Asia Pacific Ltd

Ms Jovy Chen – Sales Manager at Dase-Sing

Mr Lim Seng Tat – Director at Altair Engineering

Our main goal and the value of attending Ringier's International Business Summits is the opportunity to connect with Key Decision Makers from local Manufacturers.

Is it from the stage, during tea breaks or while enjoyig the 5-star luncheons, our guests have many opportunities to create valuable face-to-face connections and grow their businesses across Southeast Asia.
