Guidelines for Poster Presentation

1. Size of poster panel per paper should be 150 cm (height) x 90 cm (width). Ensure to fit a standard size poster standee.
2. The contents of the poster could be subdivided into topics but should fit within the specified size of the panel.
3. Poster should include the title and names of the authors (letter size: 25-30 mm). Display letters clearly so that they can be read easily from a distance of 2 to 3 meters.
4. The letter size for the text should be 7-10 mm. The main text should be written in a distinct and concise style.
5. Make headings (letter size: 15-20 mm) for an ABSTRACT, INTRODUCTION, OBJECTIVES of the research, MATERIALS AND METHODS, RESULTS AND DISCUSSION, and CONCLUSION.
6. Make a note at the end of the poster, "List of References available upon request with the author/s".
7. Pictures, figures, and tables should be used effectively.
8. The format for the poster display is similar to that for the full paper.
9. **Bring your own standee.**
